Here's a dollar to send your kid to college.

It's a Susan B. Anthony one dollar coin.

And we'll give it to you free, if you're one of the first two thousand people to open a Perpetual Money Plan Education Account* at Fairhaven Savings for your child, grandchild, niece or nephew.

You see, we want you to start saving now for college. Admittedly, one dollar isn't a lot of money. But dollars can add up. For example, if you saved just \$25 a week for ten years, you'd have over \$15,000 put away for college.

And that is a lot of money.

To help you reach your savings goal, we'll give you a Perpetual Money Wheel that shows you how much you should save each week. Stop in and get your Money Wheel today. It's free.

And so is the first dollar toward your child's college education.

An open letter to people who care about good government

September, 1980
Fairhaven, Massachusetts

**To the voters
of the 10th Bristol District:**

Acushnet, Fairhaven, Mattapoisett, Marion, Rochester.

I seek the office of State Representative because I want to make a difference on Beacon Hill. I want to see things done right in the House of Representatives.

Like you, I've worked hard to make things work for me in private life. I've learned that honesty, hard work, and common sense are the basic building blocks of success. If one of these blocks is missing, no man can build a truly successful life.

I have no fancy promises or new programs to give you this election. You and I have seen enough of these from Beacon Hill in the past. My campaign is based upon my business experience and my good reputation which I have built during the 30 years I've been in business at Newbury TV.

In the legislature, I'll work full-time and I'll vote on every bill on its merits; not its political side effects. I ask for your support and I need your help to win this election.

At a time like this, we need Walt Silveira.

Look over the names of people running for state representative for Acushnet, Fairhaven, Mattapoisett, Marion and Rochester.

Which ones do you know personally?

Do they have qualifications to match Walt Silveira's?

Do they have the education, the experience in public service, the reputation for integrity that Walt Silveira has?

For the first time in our lives, we're facing double - digit inflation and a serious recession at the same time. Economists say it will get worse. And taxes continue to rise.

We're working for Walt Silveira because in 15 years of public service he has shown that he's tough enough to hold the line on taxes, strong and smart enough to get the funds we need to protect the beauty and essential services of our towns.

Please give him your vote in the Democratic primary on Sept. 16.

RAYMOND FLEURENT

REPRESENTATIVE

from the

10th Bristol District

The Commission of the
 Southern Regional Planning and Economic Development District
 MARION, MASSACHUSETTS
 PRESENTS
 THE FIRST ANNUAL
Commissioner of the Year Award
 TO
Ray Fleurent
 In sincere appreciation of your untiring efforts on behalf of the District and
 Regional Planning and your vital leadership during the years 1973-1974.

THE FLEURENT FAMILY ... Left to right, Raymond Fleurent, daughters Kathy Tripp of Mattapoisett, Karen Fleurent, son Kevin Fleurent, and Mrs. Raymond Fleurent at their Fairhaven home.

Do you have any doubts about Ray's qualifications? The following is taken from his citation presented to him as the first commissioner to receive the "COMMISSIONER OF THE YEAR AWARD", (quote) "For his conscientious leadership, wisdom, understanding, devotion and personal participation in discharging the duties of his office and for the faithful and effective services to his community."

These same attributes will be continued in the House of Representatives for a better life for the people of Acushnet, Fairhaven, Marion, Mattapoisett and Rochester.

The elderly will always be considered in every way; their contributions during their lifetime should be rewarded with a better future and - above all - better housing and health programs.

The poor and less fortunate will not be neglected - proper legislation will be filed to meet their needs.

For those desiring an education beyond their high school years, the state will be responsible to provide the college and university facilities so necessary for our young citizens and the tuition should be within their financial abilities.

A transportation system is urgently needed to care for the transportation of all citizens. It is especially important now that we are faced with energy shortages and problems.

I shall never reject the most important person in the Commonwealth, the person who is looked upon to finance all the programs undertaken by the state - THE TAXPAYER. I shall endeavor to enact legislation that will relieve the ever increasing burden that the taxpayer has been under for many, many years.

For the answer to our many problems - VOTE RAYMOND FLEURENT REPRESENTATIVE

This area is home to Biff.

Biff MacLean grew up here. Becoming one of our most outstanding high school athletes. Working on the docks. Walking door to door to build his own insurance business.

This is home to Biff, and he's deeply committed to the area. Elected when he was only 22 to the Fairhaven School Committee . . . then, two years later, to the Massachusetts House, Biff has earned a reputation as one of the state's best legislators.

Greater New Bedford is home to William Q. "Biff" MacLean. He's worked hard for this place that he loves — and for all of us.

We need Biff in the State Senate . . . working for what he believes in. Working for us.

LETTER TO THE EDITOR

I guess the taxpayers of Marion need not be reminded of the old adage, "Death and Taxes!" By the steady stream of traffic going by the Marion Visiting Nurses' office and down the hall of Sippican School to McGee and Magane, a change has taken place in Marion, the impact of which will take months to untangle and cope with!

My reason for writing this letter is not to discuss the present tax problem, though. I would like to write about an organization I have worked for as treasurer for five years --Marion Visiting Nurse Association, Inc. This non-profit organization has been serving the town of Marion for over 65 years and all that time has remained self-sufficient -- never coming before a town meet-

There are times we wonder whether a small office as ours can meet new and always expensive State and Federal Regulations in order to stay in business. Yes, it's a constant challenge, maybe that's what I like about my job. Someone has to face and cope with the changes and this organization shows a team effort.

I have never known a stronger, more dedicated Board of Directors than that of the MVNA. Any one of them can be counted on to carry out a task they have willingly volunteered to do.

The staff of four nurses do more than give patients baths, believe me! They are professionals who, through continuing

coordination among the patient, nurses, doctors, aides, hospitals, and clergy. To face the death of a loved one, friend, or neighbor is difficult for all of us, but there is a support system in Marion called the Marion Visiting Nurse Association, Inc.

The MVNA is a quiet group doing its job; most of the time without recognition and sometimes having to cope with flubbed up newspaper interviews and articles the likes of which aren't much like the original copy at all! Nevertheless, you, the residents of Marion and Rochester, have made this year's fund drive the most successful in our organization's history. It's an investment in yourself, your family, friends and neighbors.

I believe it has been successful because residents usually see or hear about the results of these generous donations. Can you imagine nearly 4,000 visits have been made in Marion and Rochester in the last nine months! Rich or poor, there are no guarantees for excellent health. Rich or poor, if there is a need, please contact the Marion Visiting Nurse Association, Inc.

activity sponsored by the Massachusetts Audubon Society in cooperation with the Massachusetts Camera Naturalists, an amateur group that manages the entire event and produces the resulting Salon to be shown throughout the state later this fall. For a nominal entry fee each photographer may submit up to 4 color slides and 4 prints; the subject matter is not restricted except that it should be entirely natural and unrestrained. TOWN OF MATTAPOISETT, MASSACHUSETTS NOTICE FOR MATTAPOISETT RESIDENTS WHO READ THEIR OWN WATER METERS

Postcard forms have been mailed to you on which to record your current water meter reading. Please fill out and mail them to us as soon as possible in order that proper water bills may be prepared. If we do not receive the readings by September 24, 1980, we must estimate the usage. Your cooperation is appreciated very much as it helps to hold down costs and defer rate increases.

MATTAPOISETT SEWER RATES: Users are reminded that the sewer rates were adjusted during February, 1980 to 190% of the water use charges, to be reflected in the October 1, 1980 bill. This was necessary because Mattapoisett's share of the expense of the Fairhaven collection station and treatment plant is to be higher than the original estimate.

SPECIAL NOTICE FOR USERS AND PROSPECTIVE USERS OF THE MATTAPOISETT SANITARY SEWER SYSTEM

The following order was adopted by the Board of Sewer Commissioners on August 26, 1980:

"The owners of all buildings containing town water and sanitary facilities and for which town sanitary sewer service was available as of October 1, 1980, will be charged for such service effective October 1, 1980, although said service may be connected after October 1, 1980."
